

Sketch 1 area of land, or sea
(city street, beach, forest floor,
desert sand, farm land, interior of
house, etc.)

1 Area of Land or Sea

Sketch 2 objects that go on top
of the land or sea area that relate
your self portrait. (Barn,
palm trees, city buildings, desert
rocks, etc.)

1 Object that relates

2 Object that relates

Sketch 3 sky or ceiling related
objects (sun, moon, birds,
clouds, stars, indoor lights, etc.)

1 Sky or Ceiling

2 Sky or Ceiling

3 Sky or Ceiling

Draw all 3 categories together like the
example above. Make it original!

Figure silhouette: Next sketch 1 or more silhouette
figures. Later you will glue the figure(s) on top of your
background scene. One of the figures has to be you
(self-portrait) but you can have other figures as well.
Look at silhouette figure examples online.

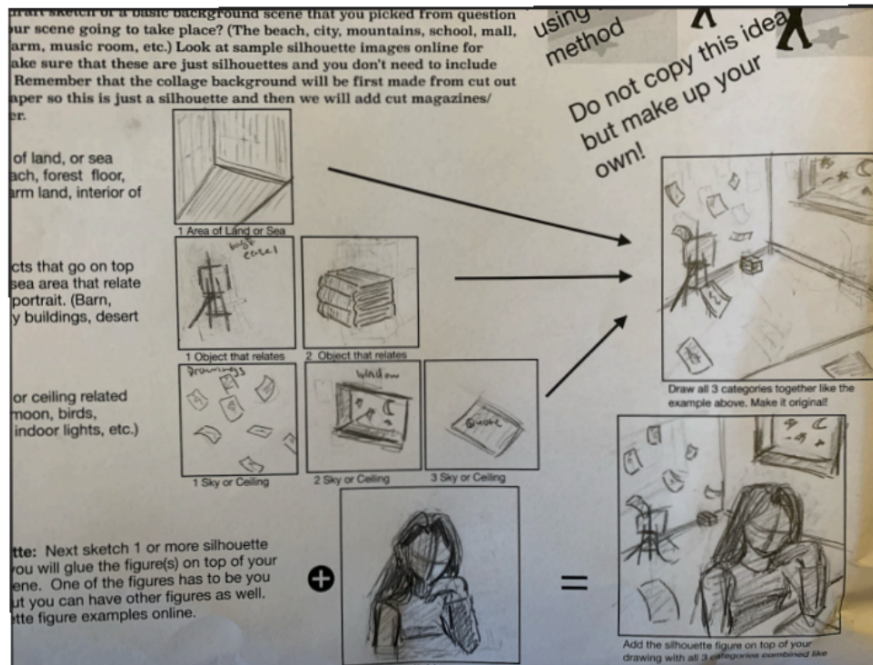

Figure silhouette(s)

=

Add the silhouette figure on top of your
drawing with all 3 categories combined like
example above.

Example 1,2,3 method sketches
