

Rough Draft sketch for Parabolic Curve Art

Create 2 different sketch designs for your parabolic curve project. **Do not complete the parabolic curve design (that would take too long). Instead just draw the shapes like the example.**

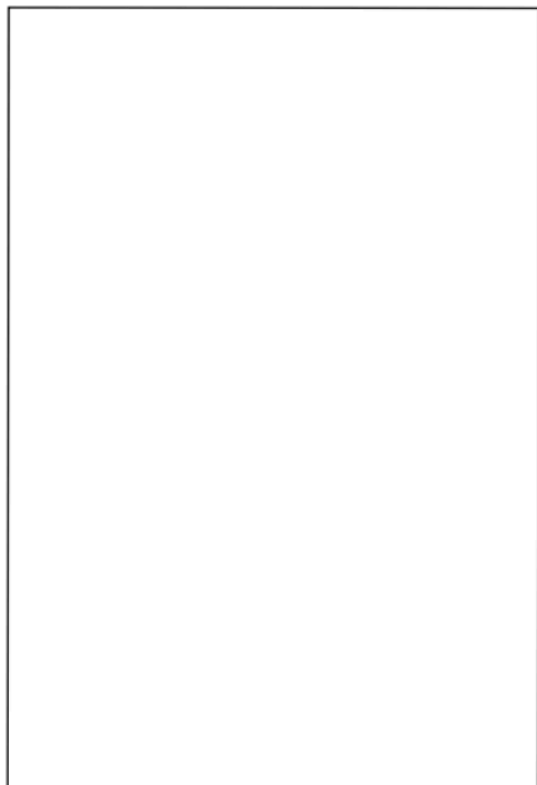

Remember in your design you will need:

EXAMPLES

Original Sketch #1 (Shapes only)

Rough draft
Checklist

___ Use a variety of different types that we practiced

___ They need to overlap

___ Put a checkmark on the shapes that will be filled in with checkerboard pattern

Original Sketch #2 (Shapes only)
