Study Sheet: How to Be a Critic

In general, what should you be thinking about as you critique a work of art?

List what questions you ask during each stage of critique:

Step 1: Describe

Step 2: Identify

Step 3: Interpret

Step 4: Judge

When it comes to art, what is the difference between a formal critique and someone's opinion?

Think of an artwork that you don't particularly like. Does it still have a place in history or in a museum? Explain why or why not.
