Study Sheet: Museums and the Art Market

For each period, list the types of people or groups for whom art was made:

Ancient Egypt:

Ancient Greece and Rome:

Early Middle Ages:

Late Middle Ages:

Renaissance:

How did the art world change with the establishment of academies, exhibitions, and salons?

In what ways were the exhibitions and salons rigid?

What art market emerged in reaction to the strict rules of the salons? Who pioneered this market?

What was the nature of these exhibitions and salons?

What are some goals of art museums?

What do museums provide that smaller galleries and private collections may not offer?

What are two big issues concerning the art world today? Briefly explain each issue.
