Review: Beyond Western Influence

Use your notes from the studies to begin your review. Check the questions and answers from the study sheets you got on the first page of each study.

Also, review the key terms for each lesson. They're found on each lesson overview page. Make sure you know what each key term means before you take the test.

The following checklist will help you figure out if you're ready to take the test. If you check "No" for any question, go back to the lesson and activity where the information appears and review that information.
