Communication and Expression Through Original Works of Art 2.5 Use innovative visual metaphors in creating works of art.

Your Goal:

1. You are going to create a visual metaphor **drawing** that relates to your theme.

3. Make 2 virtual rough draft sketches before you start the project. You will use these sketches to help you with your drawing.
4. Your drawing will be on large 12x18 paper.
5. Try not to make your visual metaphor overly obvious.
5. Use good craftsmanship and be creative.
6. Pick a creative title that goes with your theme.
7. You must use at least two or three images and blend them together to make your visual metaphor. You can use more images if you like.

Example: "Train of Thought"

Example: "Eyes like an eagle"

Metaphor **noun** \ˈme-tə-ˌfər **also** -fər\ : a word or phrase for one thing that is used to refer to another thing in order to show or suggest that they are similar : an object, activity, or idea that is used as a symbol of something else. **What is a visual metaphor?** "A visual metaphor is an image used in the place of or in conjunction with another image to suggest an analogy between the images or make a statement with them." "The concept of metaphor can be used with visual terms. For example, a visual metaphor composed of a clock enclosed within the dollar sign can express visually the verbal metaphor time is money."
