

Basic forms transformation sketches

Sketching out your idea first before starting the drawing is helpful. Answer the questions below and sketch out 2 different ideas. **rough draft**). **In your sketch use only the shapes (don't shade it in). When you are done, show this to the teacher to get the project drawing paper.**

Questions: What is your idea for this project? (You can make anything you want for this drawing that is school appropriate. Pick a topic that you are interested in. Ideas include nature, robots, animals, vehicles, sports, culture, politics, family, etc.)

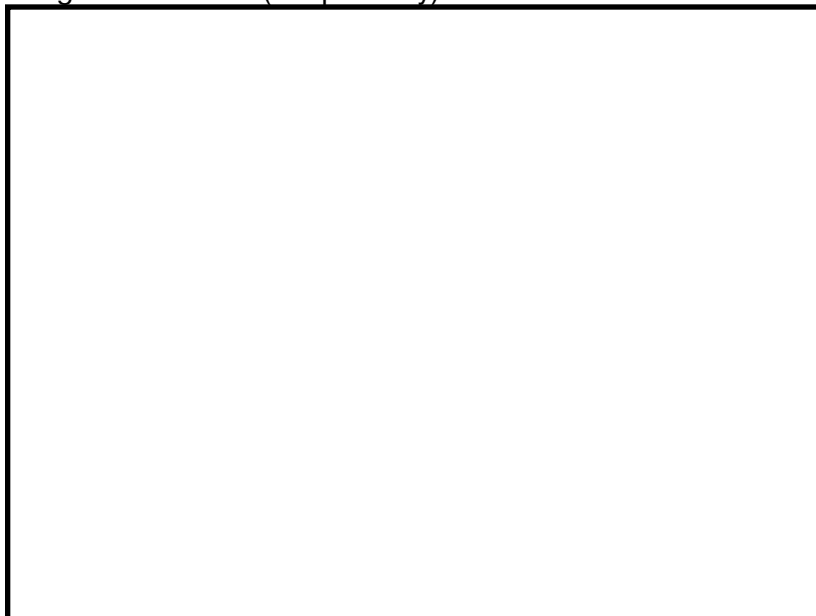

Idea #1 for my project is _____

Idea #2 for my project is

What basic forms are you going to use?_____

Next sketch out 2 different ideas

Original sketch #1 (Shapes only)

Original sketch #2 (Shapes only)
