

■ Bird Design Project – Create Your Own Theme

Instructions:

1. Start with the bird template shape you created in class.
2. For this first step, design your bird using **only outlines**. Do not shade yet — later we will practice adding value, shading, and color.
3. Be creative! Your bird should show a unique personality, style, or idea.
4. You may also use outside inspiration: Google Arts & Culture, bird photos, or other creative resources to spark ideas.

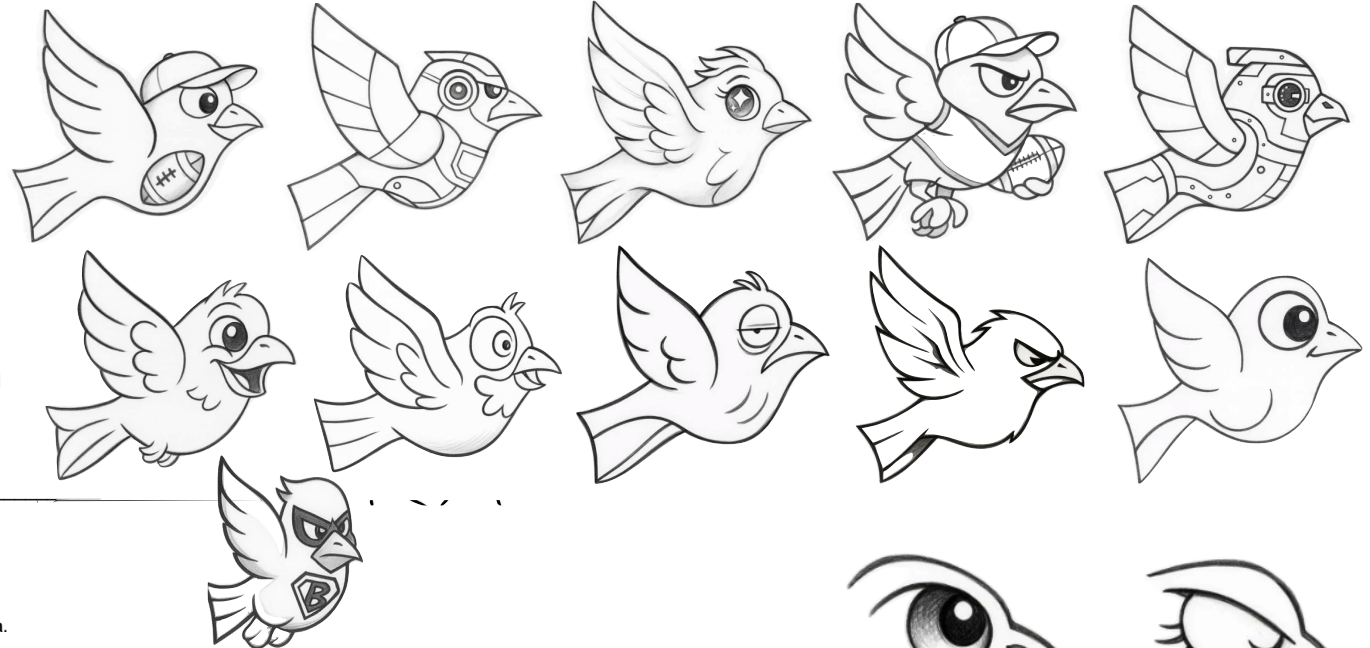

Examples from Class (13 themes):

- Cartoon Bird
- Fierce Hawk Bird
- Sleepy Bird
- Goofy/Comical Bird
- Tribal Bird
- Robotic/Cybernetic Bird
- Anime/Sparkle Bird
- Sunglasses Bird
- Superhero Bird
- Fantasy Bird
- Sports Bird
- Realistic Bird
- Tropical Bird

20 More School-Inspired Themes:

- Science Lab Bird
- Math Bird

Step 2 – Write Your Theme

— ■ My Bird's Theme Is: _____

Project Goal:

1. Create a unique bird outline inside your template.
2. Show imagination by mixing school themes, class themes, or your own idea.
3. Later, we will add shading and color to complete your design.
